trap image datasets that could significantly support this academic AI project initiative. We therefore respectfully request access to relevant tiger image data and associated non-sensitive metadata required for model development and research purposes.

We sincerely believe that this initiative has the potential to contribute meaningfully to wildlife conservation efforts and may support scalable AI-assisted tiger monitoring solutions across India in the future.

We would be grateful for your support and consideration of our request.

Thank you for your time and consideration.

Sincerely,  20/5/26
